

Maryland Masonic Research Society (MMRS) Membership Application

The purpose of MMRS is to promote any activity which may further knowledge or understanding of the history, ritual, philosophy, symbolism, or other aspects of Freemasonry and to present and conclusions to the Society for discussion and exchange of ideas.

Membership in the Society is open to anyone interested in supporting the purposes of the Society. Institutional membership is available to libraries, Lodges, and organizations that desire to receive the publications of the Society.
